

1 IN 9
AUSTRALIANS HAVE ASTHMA
 That's 2.7 million people

Your host knows how many asthma puffer and spacers there are on the page.

Pay the entry fee and make your guess.

Once all players have made their guess, the host will reveal the number – the closest guess wins!

The winner receives half the money collected for the game, and the rest is donated to Asthma Australia to help people with asthma breathe better.

1800 ASTHMA
 (1800 278 462)
